

Explore Monrovia

any time, any place
with our self-guided tour package

This motor tour of historic Monrovia, California, which was founded in 1887, is the culmination of four years of meticulous research, planning, local fund-raising, and production. It's an ambitious and creative exploration of a town's identity as seen through its historic buildings. Sponsored by the non-profit Monrovia Historic Preservation Group and the City of Monrovia, the tour includes:

- ❖ An audio program on CD or cassette tape
- ❖ A glossy, four-color brochure
- ❖ 28 color photos of historic homes and buildings
- ❖ Thumbnail histories of key houses
- ❖ A map of the tour route

The motor tour allows you time to drive at your convenience. You can also listen at home, following along with the map and brochure. And it's the perfect way to share Monrovia with out-of-town visitors.

To order by mail, send a check payable to MOHPG for \$14.75 (includes shipping and handling) to Motor Tour, P.O. Box 734, Monrovia, CA 91016
